

# Son of Sno\*Drift XX

A Winter Rally (we hope)  
Saturday, January 13<sup>th</sup>, 2018

Son of Sno\*Drift is intended to be a winter rally. As such, it is hoped that the challenges of winter driving will be a part of the fun. Son of Sno\*Drift is a straightforward Time, Speed, Distance (TSD) Road Rally with simple instructions and no traps. **NOVICES Welcome!**

Roads used on Son of Sno\*Drift will be primarily unpaved and run within Livingston, Washtenaw and Jackson counties. Total distance will be approximately 175 miles with two breaks. Mileages will be provided with each instruction, which will be by tulip diagram **and** written description.

With very few exceptions, this rally will run to the SCCA tour rally rules. This event will count toward the Detroit Region and Great Lakes Division SCCA Road Rally Championships.

Awards will be presented to the first and second place teams in each of the following classes:

E (Equipped) – unlimited equipment.

L (Limited) – calibratable odometer and any calculating device (which does not take direct mileage input from the vehicle).

S (Stock) – stock odometer (in stock location) and any calculating device (which does not take direct mileage input from the vehicle).

N (Novice) – any team where the total number of rallies entered by the two members of the team does not exceed six (6); and equipment is restricted to that of the Stock class.

**Start/ Finish: New Location! Aubree's Pizzeria & Grill** 21775 Pontiac Trail, South Lyon, MI 48178 Approx. 0.7 miles north of 8 Mile Rd on the west side. (248) 437-8000 [www.aubrees.com](http://www.aubrees.com)

Son of Sno\*Drift is not to be confused with the “Sno\*Drift” Performance Rally, which is presented by Rally America. Son of Sno\*Drift is expected to be a challenge to the driver, navigator and vehicle. Suitable tires and nighttime driving lights are recommended. Snow extraction equipment is also a wise idea. This should include, warning triangle(s), tow strap, shovel, etc.
