TO THOSE INTREPID RALLYISTS WHO RAN THE
SIXTH ANNUAL RALLIGATORS REUNION TRAP RALLY

I would like to compliment all who entered September 9th. There are not many rallyists left who enjoy this type of rally; looped traps that the Rallymaster uses to legitimately lure the competitors into a false sense of security (of being on course and on time). Often the entrants build in their own traps as did one crew that saw the main road went west instead of straight south at a three-way stop; and forgot the working instruction was "onto".

I make no secret of the fact that my goal is that a seat of the pants entry will eventually win one of my rallies. It has been close once or twice, but the experienced "astronites" continue to excel.

Again, I congratulate you and hope you enjoyed the scenic Sunday drive even though a trophy may not have been received.

Sincerely,

Bill Braund
