Moonlight Monte Competitor or Worker,

The organizers of the Moonlight Monte would like to thank you for participating in our rally. We sincerely hope that you enjoyed it and will return next year to do it again. In addition, we hope that if you enjoyed it, you will tell your friends and have them come too.

We plan to hold the event on the same weekend in 1994 unless other major events such as the Ontario Winter change their dates. Unless we get some feedback that changes our mind, we will probably continue with the same format. Hopefully we will get the same great weather again next year.

Speaking of the weather, weren't the roads great? Just enough snow to make the roads a little slippery, but not enough to make them difficult to get thru.

I would like to thank all the workers who made the event possible. Tom Woodside did a great job of finding the roads, and laying out the course as well as doing control layout, along with Jon Wickins, the night of the rally. Floyd Soo, KF8AT, who helped me do the final pre-check as well as being my driver the night of the rally. Charlotte and Bill Derouchie did their usual excellent job of registration and Tech. The controls were run by Tom and Carolyn Hoy, George and Georgie Barton, Daryl Frutchey, Chuck Padden, Bill Crocker, Mike Denning, Biff Baydown, N8NQQ, Bill Stranahan, N8NMX, and John Sonnenfeldt, KA7KZO. The funny letter/number combinations after some of the workers names are their amateur radio call signs. They are licensed amateur radio operators from the Utica Shelby Emergency Communications Association, our local radio club, who helped us with communications during the event. It was sure great to be able to know what was going on at all times. I hope to make this a regular feature of the events that I do. All the workers seemed to have a good time, even though we kept them busy working four controls each. A special thanks goes to my wife, Marianne, who helps me with all the work that goes into presenting an event such as this.

For competitors, enclosed is a contestants evaluation report. Please take a few minutes to fill it out and return it in the enclosed envelope. We want and appreciate your comments. Only by understanding what you want, can we give it to you.

If you have any suggestions that you want to discuss, please feel free to give me a call at 313-739-6565 evenings.

Thanks again for coming and participating. I hope you enjoyed the event and can make it again next year.

Yours Truly,

Jim Mickle, N8OKW
Organizer, Moonlight Monte
