Thumbs Up 94 Competitor,

The entire committee for Thumbs Up 94 would like to thank you for participating in our rally. We sincerely hope that you enjoyed it and will return next year to do it again. In addition, we hope that if you enjoyed it, you will tell your friends and have them come too. It was great to have entrants from two states and as far away as Grand Rapids. Also nice was having several novices. Lets all encourage more people to try our hobby and share the fun.

We plan to hold the event on November 11, 1995. We plan to continue in the same area with the same general format. Rallymaster and Chief of Controls, Tom Woodside, is already working on the Course.

I would like your feedback on the event. What did you like and what could we improve? Give me a call at 739-6565 between 7:00 and 9:00 evenings, or drop me a note. Also, how did you like the new finish location? My sandwich at the end was good. I hope yours was too.

Thanks again for coming. I hope you enjoyed the event and can make it again next year.

I especially want to thank the many friends that worked to make the event happen. My special thanks to all the Amateur Radio Operators from the Utica Shelby Emergency Communications Association who provided communications during the event. It made my job much less nerve racking as I always knew what was happening and that the controls were in place properly, and in good time. It also allowed all of us to know that all the cars were still running OK. Thru the use of the radio crew, we were able to get Mark Henderson's dad, who had just started on his way home, out to assist Mark who had a cooling system hose fail, causing his car to overheat. Mark and the crew were able to get it patched up sufficiently to make it home to Dearborn where permanent repairs could be made.

Leg by leg results are on the back of this letter.

Yours Truly,
