

AUGUST

Madness

August 25, 1995

Dear August Madness Participant:

Now that the dust has settled, the mosquitos have been left behind and the "madness" has subsided, we would like to thank you for participating in the August Madness Tulip Rally. We were pleased with the 16 car turnout for the event, and hope that next year you will bring some of your friends out to run with us as well. We had a blast running this event, and are planning on doing it again next August.

We would also like to thank our dedicated workers, who were the main recipients of the business end of the many mosquitos out on the course. We especially want to thank Rob Moran for providing us with an interesting and challenging course.

If you have any comments about the organization of the event, please call either of us (Jim Fekete: 313-454-1498; Jim Shaffer: 810-851-1546) We would especially like to know if you liked (or hated) the tulip format, or if the speeds were too fast (or too slow).

The final scores for the event are shown below. We were pleased that the competitors were able to attain low scores, although there apparently was some problem with Leg 3, since all the E class competitors were early into that control. Once again, we hope you enjoyed the event. Look for the second running of August Madness on the 1996 Detroit Region SCCA Road Rally Schedule!

Sincerely,

Jim Fekete

Jim Shaffer
