

August 1, 1996

Dear August Madness Participant:

Hey, it really is August now! Now that we have washed the Livingston County dust from our cars (and our teeth), and swept up the shrapnel from trampled timing gear, we would like to thank you for participating in the August Madness Tulip Rally. The 20 car turnout was 4 cars higher than last year, and we hope that we can improve upon it again next year.

We would also like to thank our dedicated workers, who got the competitors timed, stickered and sent on their way quickly and efficiently. Thanks go to Janek Filipowicz, Joe DeFrain, Andrew Duthie, Diane Fekete, Nancy Shaffer, Rob Moran, Charles Clark, Vanessa Tucker and Jenn Craddock.

If you have any comments about the organization of the event, please call either of us (Jim Fekete: 313-454-1498; Jim Shaffer: 810-851-1546) We would especially like to know if you liked (or hated) the tulip format, or if the speeds were too fast (or too slow).

18 of the 20 starters finished the event. The team of Pete and Betsy Padden lost a cylinder in their Geo Metro, which is a real problem when you only have three to begin with! We don't know what happened to Fidel and Sylvia Santos, maybe one of you could give us a call and let us know. Once again, we hope you enjoyed the event. Look for the third running of August Madness on the 1997 Detroit Region SCCA Road Rally Schedule!

Sincerely,

Handwritten signatures and notes in yellow and black ink, including 'MARK HENDERSON', 'JIM SHAFER', and 'DEAR MADNESS'.
