The Thumbs-Up Rally for 1998 is history. What a beautiful day! Jim and I really appreciate all the people that responded to our plea for workers and without you drivers and navigators there wouldn't be any fun for us. All our skills are tested in events like these and as an event chairperson, it is also a worry as to who and how many are going to come. Thanks, again, to all of you. It is gratifying to hear that everyone had fun and I'd like to say to the participants that came for the first time. "Please do come again." Jim and I will not be doing the rally in February as it moving to a new area with a new organizing couple. It will now be held in March. Flyer attached. Hope to see you there.

Again, as last year, the restaurant staff were glad to see us and when we thanked them for allowing us the use of their facility, they were very sincere when they said it's always fun dealing with us. Thanks to all of you for being so cordial to them.
