September 10-12, 1999

45823 Cambridge Dr.  
Shelby Twp., MI 48315-1617  
September 14, 1999

Dear Friends,

Thank you for attending the 50<sup>th</sup> anniversary running of the Press on Regardless. I hope that the event met or exceeded your expectations and that you had fun. I know that I did, once it finally got started.

If you didn't get a certificate at the event, it is enclosed with these results. Trophies will be mailed as soon as they are available, hopefully within a week.

Credit for the great course has to go to Rallymasters Tom & Greg Woodside who spent a great amount of time a long way away from home looking for roads that would be fun and competitive without being car breakers. The fact that three rental cars, including one of those Neons with minimal ground clearance, finished, proved that they were successful. I'm sure that they would appreciate a short note from you recognizing their great contribution. They can receive email at [tomwoodside@juno.com](mailto:tomwoodside@juno.com) or [gregwoodside@juno.com](mailto:gregwoodside@juno.com). For those who prefer snail mail, their address is 5331 Winchester, Troy, MI 48098.

I can't say enough to thank Bob Martin for his scoring. If it hadn't been for him, we might be still waiting for scores. As it was, the final scores were done almost as soon as the last car came in on Sunday.

Mary and Jerry Shiloff, the registrars, not only did a great job of registration, but worked several controls (as many as they possibly could) each day as well as handling other tasks, such as taking dinner tickets. My sincere thanks go out to them also.

What can I say about my wife Marianne? She was everywhere, doing everything that helped make the event happen. I couldn't possibly have done it without her support, not only the day of the event, but also in all the months leading up to the event.

Thanks also to all the workers who took time to drive up north to provide all the controls. We couldn't have done it without them.

We can't forget to thank our major supporter, Brad Schade and his Mac Sam Specialties company. Without his financial support, we could not have had the shirts, pins, plates, and dinners. If you could, drop him a note or postcard and let him know that you appreciate his support. His address is 02190 Pleasant Valley Road, Boyne City, MI 49712. Also, if you need some goodies to advertise your business, give Brad a call at 231-582-2595. He has just about everything in advertising specialties available.

The officials of the city can't be forgotten. They were very cooperative, even closing the Water Street during business hours for the first time in history!

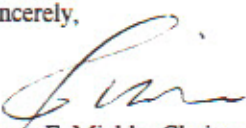

I hope that you enjoyed seeing the car that won the first event, 50 years ago. For those of you who didn't get the story, two seat, Studebaker that was on display won the first POR<sup>®</sup> in 1949. It is the only one of it's type, having been customized from a production car by it's then owner, Vince Gardner. The current owner, Kurt Thews of South Bend, IN drove it up so that it could be on display.

Even at this point in time, we have committed to doing it again next year. I probably would not have said that in the last few days leading up to the event, but, after the good comments that the event received, and the fun that we had on the weekend, we are willing to sign up to do it again.

Enclosed is a short survey. I would appreciate it if you would complete it and send it back to me at the above address. We consider you our customer, and want to do what you want.

Again, thanks for coming and making the 50<sup>th</sup> anniversary POR<sup>®</sup> a memorable event.

Sincerely,

  
James F. Mickle, Chairman
