Dear Friends,

Thank you for attending the 52nd annual running of the Press on Regardless. I hope that the event met or exceeded your expectations and that you had fun. I know that I did, once it finally got started.

Credit for the great course has to go to Rallymasters Tom & Greg Woodside who spent a great amount of time a long way away from home looking for roads that would be fun and competitive without being car breakers. I'm sure that they would appreciate a short note from you recognizing their great contribution. They can receive email at tomwoodside@juno.com or gregwoodside@juno.com. For those who prefer snail mail, their address is 5331 Winchester, Troy, MI 48098.

I can't say enough to thank Bob Martin for his scoring. If it hadn't been for him, we might be still waiting for scores. As it was, the final scores were done as soon as I was able to verify the actual location of control 20.

Mary and Jerry Shiloff, the registrars, not only did a great job of registration, but worked several controls (as many as they possibly could) each day as well as handling many other tasks. My sincere thanks go out to them also.

Bruce Fisher and his son, Matt, as well as Kevin and Sara Essenberg need a vote of thanks for not only setting controls, but also pre-checking everything the weekend before the event.

What can I say about my wife Marianne? She was everywhere, doing everything that helped make the event happen. I couldn't possibly have done it without her support, not only the day of the event, but also in all the months leading up to the event.

Thanks also to all the workers who took time to drive up north to provide all the controls. We couldn't have done it without them.

We can't forget to thank our major supporter, Brad Schade and his Mac Sam Specialties company. Without his financial support, we could not have had the shirts, snacks and dinner. If you could, drop him a note or postcard and let him know that you appreciate his support. His address is 02190 Pleasant Valley Road, Boyne City, MI 49712. Also, if you need some goodies to advertise your business, give Brad a call at 231-582-2595. He has just about everything in advertising specialties available.

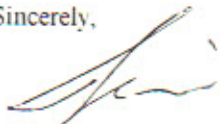

The officials of the city can't be forgotten. They were very cooperative, even closing the Water Street during business hours for the second time in history! (Last year for POR was the first time)

Plans are to have the event at the same time and place next year. (The weekend after Labor Day). I will not be organizing it next year, but will be helping whoever volunteers.

For competitors, enclosed is a short survey. I would appreciate it if you would complete it and send it back to me at the above address. We consider you our customer, and want to do what you want.

Again, thanks for coming and making the 52nd running of POR® a memorable event.

Sincerely,

James F. Mickle, Chairman
