**OFFICIAL  
FERRARI DEALER**  
CAULEY FERRARI OF DETROIT

Cauley Ferrari embarked on its journey in the Detroit suburb of West Bloomfield, MI, back in 1999. We take immense pride in being a part of Ferrari's remarkable success, as the brand consistently establishes itself as the pinnacle of the automotive world with a series of breathtaking models. This adventure has been a shared experience with our clients, who have become cherished members of our extended family.

In 2018, we unveiled our striking new 53,000 sq. ft. facility, drawing inspiration directly from the iconic manufacturer's headquarters in Maranello, Italy. Fast forward to 2024, we joyfully commemorated our 25<sup>th</sup> Anniversary as the exclusive Ferrari dealer in Michigan. Cauley Ferrari of Detroit not only showcases the latest Ferrari models but also offers an impressive selection of Ferrari Approved Certified Pre-Owned vehicles.

Throughout the years, we've earned a stellar reputation as one of the premier Ferrari dealers in North America, renowned for our passion, quality, and integrity. Our team includes some of the most experienced and skilled Ferrari Service professionals in the U.S. Additionally, we proudly offer Ferrari Classiche certification. Our collision center holds the distinction of being a fully authorized Ferrari Body Shop, one of only eight in North America.

When you step into our showroom, you'll discover a wide array of official Ferrari genuine accessories and merchandise. We eagerly anticipate the opportunity to earn your trust and welcome you into our Ferrari family.

## DETROIT REGION SHILOFF CHAMPIONS

Named in honor of Jerry Shiloff, a dedicated racer, volunteer, and leader, whose contributions to the Detroit Region SCCA and motorsports are immeasurable.

In his early years, Jerry was an active competitor in SCCA Pro Rally and hill climb events, including Press On Regardless and the Empire Hill Climb. His passion for motorsports continued well into the new millennium, where he played a pivotal role in founding Detroit Region SCCA's RallyCross program.

Later in his career, Jerry served as Chief Steward at Great Lakes Division races, Waterford Hills, and as Chair of the Empire Hill Climb and the Detroit Grand Prix. However, his greatest achievement was sharing his love of racing with his wife, Mary. Together, they formed one of the true "power couples" of motorsports, leaving a legacy in the racing community.

# ROBERT COLLINS MEMORIAL TROPHY

The Collins Trophy is in remembrance of Bob Collins who was fatally injured racing his MG-TC in Canada in 1950. Bob was a founding member of the Detroit Region and was a starter for the first POR (Press on Regardless) Rally in 1948. The Detroit Region had the unique trophy made from a design by George Gaston, former RE. It is a perpetual trophy awarded to the outstanding racing competitor for the past season. For many years, the award was given to the driver of a car under 1600cc, but more recently the award has been given to the competitor with the most National racing points in P1, P2, STU, STL, GTL, SM, EP, FP, HP, GT-3, B-Spec, SRF, or SRF3.

## SPORTSMANSHIP TROPHY

Chris Lindberg was a Solo Competitor, National Champion, father, and friend. He was always willing to lend a hand, offer advice, parts, or a ride. He displayed fairness and respect for one's opponent, and graciousness in winning or losing. He jumped in to help without being asked and worked tirelessly for the sport he loved. His love for competition was only outweighed by his love for his daughters. Chris had the ability to laugh at himself and make others relax. One of Chris' expressions, "Shut up and drive" (edited for content), were words of wisdom for those having an off day. This Sportsmanship Award was established to recognize a Region member who has given more of themselves than they expected back from the sport. The previous year's recipient determines the next annual winner.

# TOM HALLOCK AWARD

Tom Hallock was a competitor, a worker, a political force, and most important, a friend to many in the Detroit Region. Tom took extra time with the "new kids." He seemed to shine with new members: a word of encouragement, friendly advice, and gentle guidance. Those who worked or competed with him will never forget his warm smile. The Region established this trophy to recognize the new member who gives the most of themselves to the Region and SCCA. Any member who has not completed their second year of Detroit Region membership by December 31st of the award year is eligible.

# KARL PEL MEMORIAL TROPHY

The Detroit Region established this trophy to honor one of its most dedicated members, Karl Pel, who passed away on November 8, 1974.

Karl will be remembered best for the time and energy he devoted to the Club.

He was not just in attendance at most of the races, rallies, and meetings, but he was there helping, whenever needed. He seemed to have a knack of being in the right place at the right time – hot coffee for a cold registrar, food for the hungry tech inspectors, and his car was a ready source of most anything a worker could possibly need. However, Karl had a way of doing all these things for people without being obvious about it.

He shied away from the limelight and stayed in the background whenever he could. This trophy is presented annually to the worker who has devoted an exceptional amount of time and effort toward promoting our sport and the Detroit Region.
